LOVE MC 000

The story so far...

Yamada Momo is a high school student with no real redeeming qualities. Thanks to Ranmaru, whose house she's living in as a free loader, she has become very beautiful. Momo is said to be a flower in the shape of a human, and has the scent of the Goddess. She has a pure Hanabito bloodline that attracts males. Momo works as a house keeper for Ranmaru. Everyone else had left the house, leaving the two of them alone. During that time, Momo accidentally broke a glass at a restaurant, and started to work there for compensation. The boyfriend of Keito San, a waitress at the restaurant, made an appearance. The boyfriend, Takurou, made Momo show up at a party. At a corner in a room at the party, Takurou suddenly pushed Momo down. By coincidence, Umekichi and Ranmaru were in the same room. Ranmaru saw Momo and Takurou together, and went home angrily. Momo won't be able to go back home to Ranmaru's place anymore.

Momo went to visit at Kanon's house but...!?

For him to become first place...!! Honestly, it was completely beyond my expectations. It looks like the percentage of black hair is high. Well, Ranmaru has white. So to make the drawings different, there appears a lot of black-haired people...

*Thank you for reading up to now! Even though the style and drawings have changed considerably since volume one...(sweat) Please accompany me from now on too!
